

Occupational Health and Safety Policy

Power Technology Engineered Solution is firmly committed to provide a safe and healthy work environment for all employees, customers, contractors, authorised visitors and anyone else who is affected by our operations.

All possible measures are taken to identify, manage, reduce and remove risks to health & safety.

We are committed to compliance with the Occupational Health and Safety Act 2004 (VIC), Work Health and Safety Act 2011, the Work Health and Safety Regulations 2011 and applicable Codes of Practice and Australian Standards.

Management Responsibilities:

Management will provide and maintain as far as possible:

- A safe working environment, safe systems of work and equipment in safe condition
- Facilities to maintain and enhance the welfare of employees
- Information, instruction, training and supervision that is reasonably necessary to ensure that each worker is safe from injury and risks to health
- Consultation & co-operation with employees in all matters relating to workplace health & safety
- Continual improvement of performance through effective safety incident tracking & management

Team Responsibilities:

Each employee has an obligation to:

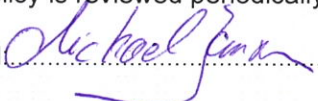

- Comply with safe work practices
- Be pro-active in taking care of the health and safety of themselves and others
- Consider Safety in Design to the highest standard in our electrical power solutions
- Wear personal protective equipment & clothing on construction sites and where else necessary
- Comply with any reasonable direction given by management for health and safety
- Not misuse or interfere with anything provided for health and safety
- Report all accidents and incidents on the job immediately
- Report all known, potential or observed hazards to their supervisor or manager

We seek the co-operation of all employees, customers and other persons. We encourage suggestions for realising our health and safety objective to create a safe working environment with zero accidents. This policy applies to all business operations and functions, including off-site work.

Policy authorised by: Michael Jansen
